### Outdoor Mass Start Long Track Records

**Note: Nancy White and Kevin O'Brien were two outstanding PEI Long Track Skaters who set numerous long track provincial records in the 1970's and 1980's. The records of both of these skaters have been lost. There have been many changes in equipment and the introduction of indoor ovals since these two skaters retired. While we no longer have records of their times, the contributions and successes of these skaters should not be ignored.**
